

KÖNIGSHAUS

SCHMALEENSEE

Walking poles, rucksacks, water bottles and snow-shoes are available in the hotel free of charge. E-bikes and filled picnic rucksacks are available for a charge.

We are happy to provide you with a Guestcard for the duration of your stay, so that you can experience the leisure offers of the Karwendel Alpine World free of charge or at a reduced rate.

### 3 | ● Mittenwald via the cycle path

Level of difficulty	Length   Ascent
<b>easy</b>	<b>22 km   270 m</b>
Start & Finish	Character
DAS KRANZBACH	Tarmac in its entirety, predominantly cycle path

At the end of the hotel drive, turn left onto the toll road and roll downhill towards Klais. Cross the railway tracks and take the cycle path on the right towards Mittenwald (look for a white sign with green writing). Cycle past the village of Barmsee and before the sign for Krün turn right through a tunnel under the main road. Take the next left along the cycle path heading towards Mittenwald. Pass the Camping Ground Isarhorn, before the cycle path ends by the military camp. From here follow the main road towards Mittenwald.

Shortly before you enter the built up area of Mittenwald, a road climbs back up the hill on the right. Take this back to Klais. From Klais take the toll road back to the hotel.

### 1 | ● Ferchensee Tour

KRANZBACH - FERCHENSEE - LAUTERSEE - MITTENWALD - KLAIS - KRANZBACH

Level of difficulty	Length   Ascent
<b>easy   medium</b>	<b>21 km   390 m</b>
Start & Finish	Character
DAS KRANZBACH	Predominantly tarmac, partly hard packed forestry road

Exit the grounds of the hotel using the drive and turn right onto the toll road. After approx. 350 m, just before the start of the forest, turn right onto a gravel path. Follow this lovely path through the forest (no cars) until Elmau. Ride past Schloss Elmau with it on your left and head towards the hikers carpark. After crossing over the bridge of the Ferchenbach, take the next left. The forestry road (Nr. 820) follows the mountain stream to Ferchensee and Lautersee. From here you can roll downhill to the center of Mittenwald. Take the main road and head north to the edge of the town, take the street to the left which heads uphill towards Klais. This road passes Schmalensee and wonderful mountain meadows. When you reach Klais, stay to the left of the tracks and at the »Kranzbach Mitarbeiterhaus« turn left and head up the toll road (*free for cyclists*) towards the hotel.

### 4 | ● To the Kranzberg peak (1.391 m)

Level of difficulty	Length   Ascent
<b>difficult</b>	<b>13 km   467 m</b>
Start & Finish	Character
DAS KRANZBACH	Forestry roads, partly rough gravel, small section tarmac, steep

At the end of the hotel drive, turn left onto the toll road and roll downhill for approximately 600 m until you reach a small white hut. Directly afterwards take a sharp right and follow the forestry road (Nr. 808) to Hohen Kranzberg. Follow the signs. The road climbs constantly upwards through the forest until the highest point. On arrival head left towards Hohen Kranzberg. Warning: a short push maybe required! After 200 m you will be welcomed with the stunning panoramic view of the Karwendel range and the impressive plateau of the Hohen Kranzberg.

It is possible to leave the bike at the hut near the peak and walk by foot to the summit. →

### 2 | ● Wetterstein Alm via Bannholzweg

Level of difficulty	Length   Ascent
<b>medium   difficult</b>	<b>22 km   703 m</b>
Start & Finish	Character
DAS KRANZBACH	Predominantly forestry road, short section on tarmac

Follow the route to Schloss Elmau as described in route 1. Just before Schloss Elmau take a left and follow the forestry road (Nr. 820) towards Mittenwald. After approximately 2.5 km, at a fork in the road, take the road on the right. Follow this road (Nr. 870) towards Wetterstein Alm and Schachen. Keep following signs for the Wetterstein Alm and at the junction with road (Nr. 841) take the left to Wetterstein Alm.

The return route takes the road (Nr. 841) directly to Elmau and from there towards »Kranzbach«.

The return route (Nr. 830) leads you behind the Kranzberg-Haus to the Guesthouse St. Anton and the lift station. This section is extremely steep but tarmaced. At the lift station take a path to the left towards the Korbinian hut. From there take the path (Nr. 836) and then the Nr. 810 past Wildensee until you reach the toll road. Turn right on to the toll road and pass the toll hut. Take the next left into the forest and follow this forestry road (Nr. 843) without cars back towards the hotel.
